At this point in the meeting, **Dorset Councillor Legg gave his report** – Councillor Legg reported that the site visit that had been arranged with Dorset Highways to discuss problems with flooding and the poor condition of the road surface at Rue Lane and Clayhanger had had to be postponed. Councillor Legg was in communication with Dorset Highways to rearrange this meeting and would inform the Parish Council when a new date had been agreed. Councillor Legg reported that the problem of a sewer outlet at Hornswell that had been overflowing into the well nearby, had been dealt with promptly by Magna Housing Association.

There followed a discussion about required drain clearance at Clayhanger and Rue Lane, which was being caused by large agricultural vehicles churning up the roadside banks, leading to soil and clay being taken into the drains by surface water. In addition, road dressing put down to fill potholes was also being dragged into drains by surface water, causing them to become blocked. It was suggested that this problem could be discussed with Dorset Highways at the site visit that was being rescheduled.

Finally, Councillor Legg reported that Sherborne Town Council was hoping to meet with the NHS Trust regarding the earmarking of land at the Yeatman Hospital for 15 residential units. The Chair thanked Councillor Legg for attending.
